

*In the name of Allah, the Most Gracious, the Most Merciful Mission*

We envision for our students a future where they develop an enhanced understanding of not only achieving their potential in this world, but also endeavor to provide them with the tools and nourishment necessary to grow into their early years with a strong background of Islam, in order for them to achieve maximum success in the Hereafter, their ultimate everlasting abode.

*Vision*

We intend to provide a place of academic excellence, rooting elementary knowledge in students through the teachings of the Quran and the Sunnah of the Prophet (peace and blessings be upon him). Our goal is for students to achieve exceptional knowledge by enlightening them spiritually, morally, and intellectually, while maintaining our purpose for success in this world and the Hereafter.

*Approach*

Encourage memorization and understanding of the Quranic scripture. Provide Arabic and Islamic Studies[1] as core subjects. Develop and implement a well balanced and integrated elementary curricula in English[2] to mediate and help in the transition from English to Arabic [3] and conversely during the elementary stages. Teach Islamic family and moral values to bring out positive role models. Promote Islamic beliefs and Muslim culture/heritage. Ensure high standards of teaching by employing qualified and experienced teachers and administrators to cater for each discipline and specialization of the curriculum. Engage in continuous research and study of Islamic education, Islamic curricula development and lesson plans. Implement lesson plans to meet the Islamic framework of education designed for the imparting and acquisition of beneficial knowledge and skills. Ensure consistent academic quality by putting in place systems to monitor and review performance levels and success. Develop alliances with parents, educators and Islamic schools and the community as a whole.
