- *Kitaabut-Tawheed

and all of them are from Sheikh Muhammad Bin Abdul Wahhaab [rahimahullaah] and after that:

- *Kitaabul Al-Aqeedatul Waasitiyyah
- *Kitaabul Hamawiyyah

and both of them are from Sheikhul Islaam Ibn Taymiyyah [rahimahullaah]

- *The Nooniiyyah of Ibn Qayyim [rahimahullaah] with its explanation.

- *Qawlul Mufeed by Fawzaan
- *Kitaabu Tawheed of Ibn Khuzaymah
- *Kutubus-Sunnah that have been written [and or recorded] in the science of Aqeedah which are numerous as I have previously mentioned some of them.

As for the Islaamic Fiqh, likewise the books are numerous, but begin with:

And the books of hadeeth that have been explained like:

- *The explanation of Umdatul Ahkaam

Then you proceed with the reading of the books while exerting oneself with the utmost exertion in seeking counsel with those who follow the Salaf in the books that you love to read either by way of telephone or through sending messages. May Allaah make you all successful in that which pleases Him.
